Dear Community Member,

COVID-19 PRECAUTIONARY MEASURES

As you are aware, the spread of the virus in the USA, and in the DMV in particular, has not abated. As such, further enhanced measures have been taken to protect our staff members, families and you, our clients. In keeping with the foregoing, please be advised as follows:

1. The consular section will remain closed until further notice.
2. During the period 23rd to 31st March 2020, all members of staff at the Embassy will be working remotely. During that period, the situation will be assessed to determine if any further adjustments are to be made.
3. Email queries are strongly encouraged and should be sent to consul@jamaicaembassy.org.

Persons applying for the renewal of Jamaican passports are still encouraged to utilize the online application system available at www.pica.gov.jm. All persons who received an adult passport after September 2001 can renew their passport online, provided that the passport has expired or will expire in less than one (1) year's time.

As we continue to monitor events associated with COVID-19, all are encouraged to note the official advisories from the relevant authorities. For more updates on COVID-19 in Jamaica please visit <https://www.moh.gov.jm/> and www.mfajt.gov.jm
