

Visas

Persons who wish to apply for a Jamaican visa can send in their applications or can walk in to the Embassy. It is important to note that the processing of visa applications can take between 5-10 business days, as **ALL** applications have to be referred to Jamaica for approval. As such persons should submit their application within a reasonable time before their proposed date of travel

Please note that your application does not guarantee you a visa and as such, like all other applications the cost is non-fundable and any cost that is incurred or lost as a result of waiting time will not be addressed by the Embassy.

All visa applications attract a Consular fee of \$10

Applicant should submit:

- A valid passport
- The completed application form
- A passport photo
- Travel itinerary
- Hotel reservations where applicable
- Bank Statement/job Letter (if requested)
- The applicable processing fee (and mailing of \$20 for mail in applications)

Please note that cruise ship passengers do not need a visa to visit Jamaica.
Additionally US Green Card holders do not need a Visa to travel to Jamaica.

Nationals of Taiwan should also complete an Affidavit to accompany their application (see Application Forms section)
